  - (a) Earned a bachelor's degree or equivalent from a regionally accredited U.S. institution or its equivalent from a foreign institution AND

- (b) Earned a 3.0 GPA (or equivalent) or better in all work attempted while registered as an undergraduate student working for a baccalaureate degree, OR
- (c) Earned a 3.0 GPA (or equivalent) or better in all work attempted while registered as an upper division student working for a baccalaureate degree, OR
- (d) Earned a previous graduate degree or professional degree or equivalent from a regionally accredited U.S. institution or its equivalent from a foreign institution in a field related to the discipline of the program to which the applicant is applying.

(3) Additionally, all applicants to doctoral programs must meet the following specific requirements:

- (a) Each applicant to a doctoral degree program shall present scores that are acceptable for the program to which the student is applying on the Graduate Record Examination (verbal, quantitative, and writing), or an equivalent measure on the GMAT, whichever is deemed most appropriate to the program. Students, including international students, who already have a graduate degree obtained from a regionally accredited institution in the same or in a related area are not required to take the Graduate Record Examination or GMAT unless it is required by the program.
- (b) Submit three letters of recommendation, a resume or a curriculum vita, and a written essay.
- (c) The submitted materials must be used in the context of a holistic credential review process.
- (d) Each doctoral program may determine other requirements for admission, consistent with their mission and purpose. Any additional admissions requirements so imposed by doctoral programs must be published annually in the Graduate Catalog and on the website of the doctoral program; further, such requirements shall be reviewed and updated annually.
- (e) These requirements shall not include preferences in the admissions process for applicants on the basis of any category protected by law.

(4) Additionally, all applicants to master's programs must meet the following specific requirements:

- (a) A score on standardized exams such as the GRE or GMAT is not required by the university for admission to a masters degree program, although individual programs may still require the exams for admissions purposes.
- (b) Each master's program may determine other requirements for admission, consistent with their mission and purpose. Any additional admissions requirements so imposed by masters programs must be published annually in the Graduate Catalog and on the website of the masters program; further, such requirements shall be reviewed and updated annually.
- (c) These requirements shall not include preferences in the admissions process for applicants on the basis of any category protected by law.
- (d) For international students in master's programs that do not require a GRE or GMAT, a course-by-course evaluation of the student's official transcript must be submitted by a credential evaluation service recommended by UCF that shows a GPA equivalent from an earned degree equivalent to a U.S. bachelor's degree.

(5) In addition to the above requirements, international students must show proficiency in written and spoken English in accordance with the provisions of University Regulation UCF-2.009.

Graduate programs wishing to admit these students to graduate degree programs after the students have satisfactorily completed up to nine hours of graduate course work may do so

provided that the number so admitted is included as part of the 20 percent exception, as defined in paragraph (6)(a), above.

(10) All applicants for admission or readmission to the University of Central Florida, including to any graduate or doctoral programs of study within the University and including any applicant

for post-baccalaureate study, are required to disclose on the application prior criminal conduct, pending criminal charges, and prior educational misconduct. The University reviews all applications in which a student discloses prior criminal conduct, pending criminal charges, or prior educational misconduct to determine whether the admission of the applicant is in the best interest of the University. The office responsible for this review is the Office of Student Rights and Responsibilities. Applicants who fail to disclose prior criminal misconduct, pending criminal charges, or any prior educational misconduct are in violation of the disclosure requirements of this paragraph and may be subject to appropriate action by the University, including denial of admission or readmission, revocation of admission, or other academic and/or disciplinary action prescribed by the University, up to and including dismissal.
